

## BIO

Santiago Rendon is a DJ and music producer from Villavicencio, Colombia, with over 8 years of experience in the electronic music scene. His passion and dedication have made him one of the most prominent local artists, performing at the biggest and most recognized events in the region and across the country.

His sound is rooted House, Tech House, Afro House and other branches of electronic music, delivering high-energy sets that deeply connect with the audience. Santiago has built a strong identity, consistently bringing his unique style to stages nationwide.

With a clear and authentic vision, he continues to grow and evolve, bringing freshness and professionalism to every performance.
